Signature of Sponsor

AMEND Senate Bill No. 1935

House Bill No. 1896*

by deleting the effective date section and by substituting instead the following:

SECTION 6. This act shall take effect July 1, 2013, the public welfare requiring it.

AND FURTHER AMEND by deleting the language " sympathetic nerves or block of major peripheral nerves" in the first sentence of subsection (f) in the amendatory language of Section 1 and by substituting instead the language " sympathetic nerves of the spine or block of major peripheral nerves of the spine".

AND FURTHER AMEND by deleting the last sentence of subsection (f) in the amendatory language of Section 1 and by substituting instead the following:

This subsection (f) shall not apply to an advanced practice nurse performing major joint injections except sacroiliac injections, or to performing soft tissue injections or epidurals for surgical anesthesia or labor analgesia in unlicensed settings.

AND FURTHER AMEND by deleting the language " sympathetic nerves or block of major peripheral nerves" in the first sentence of subdivision (5) in the amendatory language of Section 3 and by substituting instead the language " sympathetic nerves of the spine or block of major peripheral nerves of the spine".

AND FURTHER AMEND by deleting the last sentence of subdivision (5) in the amendatory language of Section 3 and by substituting instead the following:

This subdivision (5) shall not apply to a physician assistant performing major joint injections except sacroiliac injections, or to performing soft tissue injections or epidurals for surgical anesthesia or labor analgesia in unlicensed settings.

Amendment No. 1 to SB1935

AMEND Senate Bill No. 1935

House Bill No. 1896*

AND FURTHER AMEND by deleting subdivision (a)(1) of the amendatory language of Section 4 of the printed bill in its entirety and substituting the following:

(1) Board certified through the American Board of Medical Specialties (ABMS) in one of the following medical specialties:

- (A) Anesthesiology;
- (B) Neurological surgery;
- (C) Orthopedic surgery;
- (D) Physical medicine and rehabilitation;
- (E) Radiology, or
- (F) Any other board certified physician who has completed an ABMS subspecialty board in pain medicine or completed an ACGME-accredited pain fellowship;

AND FURTHER AMEND in subsection (a) of the amendatory language of Section 4 by deleting the period at the end of subdivision (3), substituting “; or” and adding new subdivisions (4) and (5) as follows:

(4) A licensee who serves as a clinical instructor in pain medicine at an accredited Tennessee medical training program; or

(5) A licensee who has an active pain management practice in a clinic accredited in outpatient interdisciplinary pain rehabilitation by the Commission on Accreditation of Rehabilitation Facilities or any successor organization.

AND FURTHER AMEND by deleting the language " sympathetic nerves or block of major peripheral nerves" in the first sentence of subsection (b) in the amendatory language of Section

4 and by substituting instead the language " sympathetic nerves of the spine or block of major peripheral nerves of the spine".

AND FURTHER AMEND by deleting subsection (a) of the amendatory language of Section 5 of the bill it in its entirety and substituting the following:

(a) A physician licensed in this chapter may only practice interventional pain management if the licensee is either:

(1) Board certified through the American Osteopathic Association (AOA) or the American Board of Medical Specialties (ABMS) in one of the following medical specialties:

(A) Anesthesiology;

(B) Neuromusculoskeletal medicine;

(C) Orthopedic surgery;

(D) Physical medicine and rehabilitation;

(E) Radiology, or

(F) Any other board certified physician who has completed an AOA or ABMS subspecialty board in pain medicine or completed an AOA or ACGME-accredited pain fellowship;

(2) A recent graduate of a medical specialty listed in subdivision (a)(1) not yet eligible to apply for AOA specialty certification; provided, there is a practice relationship with an osteopathic physician who meets the requirements of subdivision (a)(1) or a physician who meets the requirements of § 63-6-241(a)(1);

(3) A licensee who is not board certified in one of the specialties listed in subdivision (a)(1) but is board certified in a different AOA or ABMS specialty and has completed a post-graduate training program in interventional pain management approved by the board;

(4) A licensee who serves as a clinical instructor in pain medicine at an accredited Tennessee medical training program; or

(5) A licensee who has an active pain management practice in a clinic accredited in outpatient interdisciplinary pain rehabilitation by the Commission on Accreditation of Rehabilitation Facilities or any successor organization.

AND FURTHER AMEND by deleting the language " sympathetic nerves or block of major peripheral nerves" in the first sentence of subsection (b) in the amendatory language of Section 5 and by substituting instead the language " sympathetic nerves of the spine or block of major peripheral nerves of the spine".
